Tallahassee Florida Trek
April 15-18, 2027

Norm and Kathy Madsen are inviting all Franklin Club members to a Spring tour in beautiful Tallahassee, Florida. Count on three fun-filled days of back-roads touring, including canopy roads, stops at the Tallahassee Automobile Museum, Wakulla Springs, Bradley's Country Store and other fun places. There will also be a stop at Norm's garage. This is a combined tour of the HH Franklin Club and the Florida Packard Club, so you'll meet new people and see other interesting tour cars. The roads are rural and very early-car-friendly. Bring your Franklin, or we'll be happy to arrange rides for you in other participants' vehicles.

The host hotel is Staybridge Inn and Suites and our block of rooms is priced at \$129 (Studio Queen Suite) and \$139 (King Suite) plus tax. Call Staybridge at 850-219-7000 and use group name "Antique Car Tour" and group code "CAR" to book. Reservations can be cancelled without charge until 72 hours prior to your arrival date. Book your room now, as great participation is anticipated and our rooms are limited.

The registration form and itinerary will be available on the website in October or November. Further questions? Email Norm at packardnorm@comcast.net or call him at 850-322-6788.
