Saturday, June 20, 2020  
Spectator hours: 9am – 2pm  
Show car owner's hours: 7am – as long as you want to stay...  
New Britain, Connecticut

### **Our 28-year History in Quality Motorcar Events**

Our focus for 28 years has been on pre-war automobiles, often with a special emphasis on Connecticut-made automobiles, as well as those that are rare and unique. To make the Series a family event we have activities for everyone: dancing, museum displays, and a children's activity area, along with great food. All of this is set on our beautiful 40-acre hilltop campus with endless views in every direction.

### **Grand Marshals: Wayne Carini**

Wayne has been Grand Marshal of the Klingberg Motorcar Festival for nine years. The first five years he shared the limelight with his dad, Bob Carini, and for the last six years his family has joined him—so fitting for a family-oriented festival. Three of the Klingberg Motorcar Festivals have been featured on episodes of *Chasing Classic Cars*.

### **The Hall of Honor at Klingberg**

In the 28-year history of the Klingberg Motorcar Events, we have built relationships with collectors and restorers who spent their lifetime working with automobiles. They shared a passion for cars, they mentored others who wanted to learn the trade, and they were great friends to us at Klingberg. Most had a strong desire to share their vintage automobiles at the Klingberg Motorcar events; many volunteered their time and helped spread the word, knowing that it would ultimately help children and families in our care.

A few years ago, some of our supporters asked if there was a way that they could honor a friend or family member at our event that would benefit our mission to help children and families. Now a significant part of our event is the Hall of Honor in memory of a dozen automobile collectors & restorers.

## What is Klingberg Family Centers?

We are a leading private, nonprofit organization in the Northeast; our work through 20 programs is built on the foundational belief that each child is precious and deserving of a safe, caring home. To that end, we are a pioneer in the field of therapeutic treatment for children who have been traumatized by neglect and abuse. **By participating in the 2020 Klingberg Vintage Motorcar Event, you will be joining us in helping children in need.**

## What can I expect as a Concours d'Elegance participant?

As a Franklin automobile owner, you and your spouse or guest are treated to a **complimentary breakfast and lunch** as our thanks for participating in this benefit event. You will be provided a **special guest name tag** that also serves to help us remember each other's names. We also provide **informational signs** in front of your automobile as part of our educational program.

## What do I need to do to participate?

Please complete the attached form with important details about your automobile; or if you prefer, you can call or email me, or Andrew Sullivan. We need to know if you are driving your car into the show or will be trucking it and need to unload it on the show field. Automobiles may be delivered to the field Friday afternoon before the show, since we will have security guards on the field throughout the night.

## I will follow up with you.

As I receive your information and confirmation that you will attend, a parking place will be reserved for you and I will send you event details and a special pass for entering the Concours area.

## How can I get more information about the Klingberg Festival?

Please go to [www.KlingbergMotorcarSeries.org](http://www.KlingbergMotorcarSeries.org), or call or email if you have any questions or want more information.
